

**Drainage Board Meeting  
April 2, 2013**

**Present:** Al Logsdon, Mickey Toler, David Gogel, Surveyor Herron, Elaine Jones, Chuck Painter, Auditor Jane Lynam

**Absent:** Attorney Wilkinson

Meeting was called to order by President Al Logsdon at 11:00 A.M.

**Minutes**

Gogel made a motion to approve the minutes from February 20<sup>th</sup> as printed. Toler seconded the motion, motion approved.

Toler made a motion to approve the minutes from March 5<sup>th</sup>. Gogel seconded the motion, motion approved.

**Surveyor Report**

Herron presented before and after photos of Huffman Drain; Huffman Drain runs east and west near South Spencer High School. Herron reported that the work was complete and he was satisfied with the work. Logsdon asked how many feet this project entailed and how the residue was handled. Herron explained that the project was less than 5,000 feet, the residue was done in three parts, burnt, buried and some was hauled off.

The work on JC Hoople has also been completed and Herron presented before and after pictures. One picture was a beaver damn that had been built back within one week of removal. Herron said the beavers need to be trapped before we clean it out again.

**New Business**

Surveyor Herron reported that there was a log jam in Honey Creek behind Kenny Shourds old shop going west; starting to cut out into the fields. Logsdon said they would have to use Rainy Day Funds; are we in favor of having Surveyor Herron go ahead and get it done if it falls below the amount that requires bids. Everyone agreed to go ahead and see what needed to be done.

Logsdon reported that the County Council had approved the request for \$50,000 for drainage work in 2013.

Gogel made a motion to adjourn. Toler seconded the motion, motion approved.

Meeting was adjourned at 11:16 A.M.
